WHY URUGUAY?

A map of South America is shown in the background. Uruguay is highlighted with a red outline and a red dotted border, indicating its location within the continent.

- » Uruguay has a strong democratic tradition, characterized by political and social stability.
- » Open, growing economy with reliable and high level institutions and a modern and attractive investment regime.
- » Uruguay is one of the fastest growing countries in Latin America. Its GDP grew, on annual average, 5.8% in 2006-2012.
- » The country is free from epidemics and racial or religious conflicts.

FACTOR	Uruguay in South America
Low Corruption (Transparency International 2012)	1
Democracy Index (The Economist Intelligence Unit 2012)	1
Economic Freedom Index (Heritage Foundation 2013)	2
Quality of Living (Mercer Quality of Living Ranking 2012)	1

URUGUAY IN FIGURES

In Uruguay, education is compulsory by law from 5 to 15 years of age.

Literacy rate: 98%

The government guarantees free access to education, from kindergarten through college.

100% of high school students at 15 years of age have completed at least 3 years of English and 2 years of IT studies.

21% of university students are enrolled in accounting, finance and business administration programs.

17% of university students are enrolled in science and technology.

A full-page background image of Diego Forlán, a Uruguayan footballer, wearing a blue Uruguay national team jersey with the number 10. He is celebrating with his right fist raised and a joyful expression. The jersey features the Puma logo and the Uruguayan national crest. The background is dark and out of focus, suggesting a stadium setting.

FOOTBALL IN URUGUAY

Uruguay has a long tradition of exporting football players. Many of them played or are playing at the highest level. Some of these names are:

- Luis Suarez
- Edison Cavani
- Martin Caceres
- Alvaro Recoba
- Marcelo Zalayeta

These are just a few of the most famous, but Uruguay has more players playing in foreign leagues than in Uruguay.

More over, many foreign players have used Uruguay as a passport for other important leagues.
